Dahlen labels each post and beam.

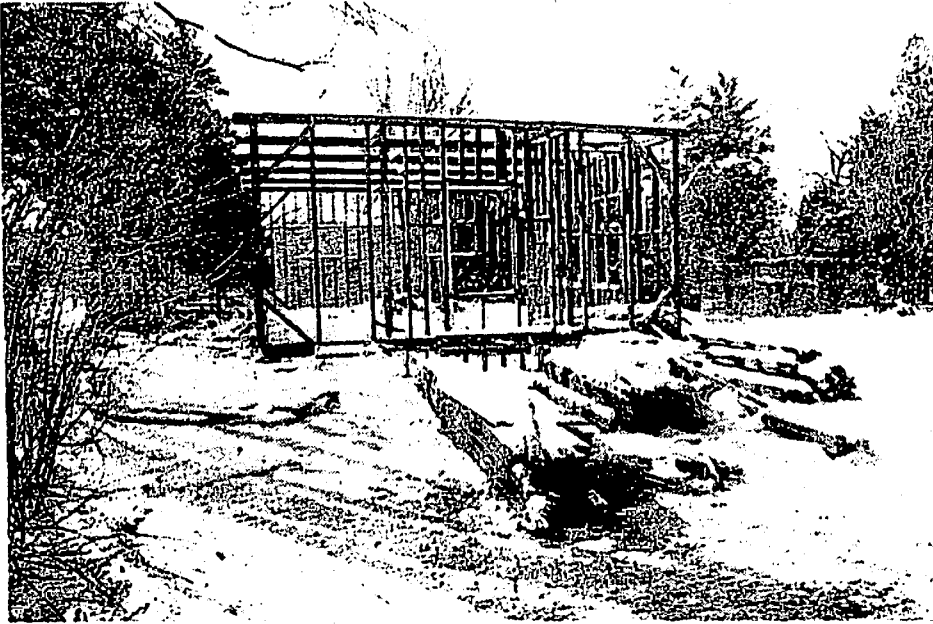

**Hugh Dahlen carefully labels and removes a beam.**

**Manion Hall, a one time one room schoolhouse will become Hugh Dahlen's new home on another lot.**

**Manion Hall is being dismantled. The historic building is being moved and restored by Hugh Dahlen.**

**Just a skeleton of Manion Hall remained Monday after it was dismantled to be moved to a new location. The site will be used for the new Ellison Center for the Arts.**
